Education

Wesleyan University, B.A., 2024,  
American Studies and Psychology,  
minor in African American Studies;  
Departmental High Honors in  
Psychology, Political Engagement  
Fund Recipient.

Julia provides administrative and substantive support to the firm's legal teams, driven by her commitment to criminal justice work and seeking justice.

With a passion for problem solving, research, and advocacy, Julia brings her experience working with various aspects of the legal system to provide meticulous and thoughtful support. Prior to graduating in May, Julia worked with Wesleyan's Center for Prison Education and National Education Equity Lab teaching high school students and incarcerated adults. She also interned at NYU's Center on Race, Inequality and the Law, as well as the Coalition for Juvenile Justice.
